

# Snazaroo Butterfly Face Painting Guide

- Supplies: Snazaroo Fantasy Face Painting Kit #10115420

1

With a brush, outline a butterfly with fuchsia pink, sponge sparkle lilac inside the edges of the pink, and add sparkle blue to the very inside of the butterfly shape blending the three colours together.

2

Outline the butterfly shape using a brush with black paint. Create the dots running down the centre of the nose with pale green.

3

Finally, add small reverse teardrops to the centre of the forehead to create the antennae and outline the nose dots with black. Add white dots for detail on the butterfly wings, and a 'star burst' to the forehead.
