

# Snazaroo Werewolf Face Painting Guide

- Supplies: Snazaroo Halloween Face Painting Kit #10134238

1

Paint on the white muzzle, between the nose and top lip. Then sponge dark brown paint all over the rest of the face.

2

Paint on the white fangs. Then, in white add the fur using a flicking movement around the outside of the face, but not the nose.

3

Finally, paint on the nose and outline the fangs in black. Add more flicks to the white fur in black and add bright red blood to the fangs.
